Why choose Imagine Inflatables?

Imagine Inflatables offers the best quality Blimp on the market.

It is a more durable thicker PU nylon than the competitors. Imagine's Blimp has internal welded seams, so do not confuse it with the cheaper more unstable imitations.

- 1) Blimps are artworked and tested in our own factory in England.
- 2) Imagine's blimps are bespoke designed with high quality removable rounded fins.
- 3) Our blimps are made from Pu nylon fabric, not PVC, thus improved stability and longevity is guaranteed.
- 4) Imagine offers a full repair and inspection service, as well as a full contract operation and installation service.
- 5) Imagine can deliver and manage your Helium gas requirements to any location or multi drop locations within the UK.
- 6) We offer a bespoke visualisation service, so you know what you will be getting before we start artwork.
- 7) We offer very fast turnaround times from 1 week upwards depending on the level of artwork.
- 8) Imagine offers, artwork direct onto hull or onto detachable nylon banners thus allowing you to change your artwork depending on your specific promotion.
- 9) Imagine will provide a dedicated Account Manager to follow your order through from initial enquiry through to delivery.
- 10) Imagine provides various colours for the base material, White, yellow, black, red, green etc.
- 11) We also offer a pantone matched service for the Hull Colour.
